

CALL
FOR
PAPERS

The 2nd International Conference on
Sustainable Remediation 2012
November 14 – 16, 2012 in Vienna, Austria
www.sustainableremediation2012.org

By this information on the **Call for Papers** you are invited to present scientific findings, policy concepts and practical experiences by a lecture or poster. Please send us your abstract until June 8, 2012 and be a lecturer or poster presenter! You are cordially invited.

CONFERENCE THEMES:

- **Policy, Conceptual Framework and Societal Values** – visions on how to integrate sustainability and moving towards a better understanding of benefits and impacts in decision making
- **Metrics and indicators** – identification and application of metrics / indicators to characterise green, eco-efficient or sustainable approaches
- **Practical Tools** – methodologies and techniques to analyse the social, environmental and economic aspects in an integrated manner
- **“Greening” Remediation** – how to minimize the environmental footprint of remediation works
- **Opportunities from Synergy** – land recycling, renewables, integrating at regional scales, optimizing “working with nature”, combined benefit approaches (e.g. heat storage and groundwater remediation)
- **Case-studies and eco-efficient technologies** – towards increased cost-effectiveness and environmental improvement

According to the conference language the abstract of the proposed contribution and later the lecture or poster itself need to be submitted and presented in English.

Please send your abstract by **June 8, 2012** per E-Mail. For the submission of your proposal please use the template which is posted at www.sustainableremediation2012.org. Please submit completely and according to the given requirements.

Submissions to:

Environment Agency Austria, Spittelauer Lände 5, 1090 Vienna

E-Mail: altlasten@umweltbundesamt.at

Evaluation and Elaboration of the Programme:

All submitted abstracts will be evaluated by members of the Programme Committee. Selection criteria are conformity with conference themes, quality and style of description as well as in time submission (Deadline: June 8, 2012). In case of acceptance, the Programme Committee will provide a recommendation on the presentation form (lecture or poster) of your contribution, which will also depend on the best balance of suggested contributions.

Lecture and/or Poster Acceptance:

The decision about acceptance of a submitted paper as lecture or poster will be sent to you via E-Mail by July 6, 2012 at the latest.

Programme Committee (PC):

- **Paul Bardos, r3 environmental technology Ltd** (and University of Brighton, UK)
- **Mengfang Chen, ISSCAS** (Chinese Academy of Science) Institute
- **Gernot Döberl, EAA** (Environment Agency Austria)
- **Harald Kasamas, ÖVA** (Austrian Association for Contaminated Site Management)
- **Carlos S. Pachon, US EPA** (Office of Superfund Remediation and Technology Innovation)
- **Markus Puschenreiter, BOKU** (University of Natural Resources and Life Sciences, Austria)
- **Alan Thomas, NICOLE** (Network of Industrially Contaminated Land in Europe)
- **Joop Vegter, COMMON FORUM** (on Contaminated Land in the European Union)
- **Klaus Weber, NIRAS** (Chair Green Remediation Conference 2009, Copenhagen, Denmark)

Registrations:

Registration will open by July 13 and the announcement of the provisional programme.

Please notice, that for all first authors of accepted lectures and posters a reduction of the conference fee is offered.

- Full fee: 720 € (incl. 20 % VAT)
- Reduced fee: 450 € (incl. 20 % VAT)

THEMATIC AND PROJECT WORKSHOPS:

Any organisation or project with an interest in sustainable or green land remediation is invited to hold a thematic or project workshop. Please contact the EURODEMO+ secretariat at <http://www.eurodemo.info/general/contact/>
